

LOCAL LODGE LORE

Daughters of Rebekah.

The regular meeting of Arizona Rebekah lodge No. 1 was held in Odd Fellows' hall on Thursday evening, October 2, with a full attendance. Although some of the members had forgotten it was October and that the lodge now meets at 7:30 o'clock, Brother C. D. Olds, who joined by transfer, was introduced. Applications for membership were received from Sister Opal Jackson by transfer, and Mrs. Edna Gregg by initiation. Quite a spirited contest arose over the election of captain for two rival teams, the Pinks and the Greens, in a contest to be held for an increase of membership. Sister Minnie Stevens was an easy winner on first ballot, but Sisters Bailey, Banks and Pitt, who were all very anxious for the position, were so near a tie that a second ballot had to be taken, resulting in the election of Sister Bailey. At the nickel march, which is held at the close of the first meeting of each month for the purpose of collecting money to buy flowers for the sick, one dollar and fifty cents was collected. Visiting Rebekahs are cordially invited to be with us.

ELEAZER.

Pocahontas Tribe.

A luncheon and war dance will be given by the members of the Pocahontas tribe No. 6 Thursday evening, October 9. The ladies are requested to bring sandwiches. A large attendance of members is expected.

Woodmen of America.

The Modern Woodmen of America will hold a box social next Wednesday evening at 8 p. m. at their lodge rooms in the K. P. hall. The ladies will furnish the refreshments. All neighbors are expected to bring their wives, daughters and lady friends. The Royal Neighbors also are extended a most cordial invitation. This social is to be the first of a series of entertainments to be given at the lodge rooms during the winter and it is especially desirable to make this one a big success. Dancing and music will follow the collation.

Grand Army of the Republic.

The Grand Army of the Republic, after a vacation of three months, met again in the K. of P. hall at 2 p. m., October 1, and had a good session of about twenty-five members present. Some of the members have traveled here and there to the east to Gettysburg, Chicago, Ohio, Chattanooga, the Pacific coast, and elsewhere. The majority of the veterans remained in Arizona during the vacation. The post meeting opened with prayer by the chaplain, Andrew Downing, then the adjutant's report, also the quartermaster's. Then two veterans made application to join the post and were elected and obligated or mustered in and were declared members of J. W. Owen post No. 5.

TOBACCO HABIT.

A very interesting book has been published on tobacco habit—how to conquer it quickly and easily. It tells the dangers of excessive smoking, chewing, snuff using, etc., and explains how nervousness, irritability, sleeplessness, weak eyes, stomach troubles and numerous other disorders may be eliminated through stopping self-poisoning by tobacco. The man who has written this book wants to genuinely help all who have become addicted to tobacco habit, and says there's no need to suffer that awful craving or restlessness which comes when one tries to quit voluntarily. This is no mind-cure or temperance sermon tract, but plain common sense, clearly set forth. The author will send it free, postpaid in plain wrapper. Write, giving name and full address—a post card will do. Address: Edward J. Woods, 534 Sixth ave., 594 W. New York City. Keep this advertisement, it may prove to be the best news you ever read in this journal.

Since my return from the reservation, the Navajo Blankets I purchased this summer, have been coming in a few bales at a time from the various trading posts, and at last my stock is complete. We have just finished the job of assorting and marking these blankets.

"If the Navajos Make It, We Have It."

and we say without hesitation that we have the finest lot of Navajo Blankets Germantown squares and Navajo silver wear ever gathered together in the Southwest. We invite everyone to come in and see them, whether intending purchasing or not.

And the FEDERAL Has More Power Than You Really Need; Easy to Operate; Economical in Operation and Upkeep.

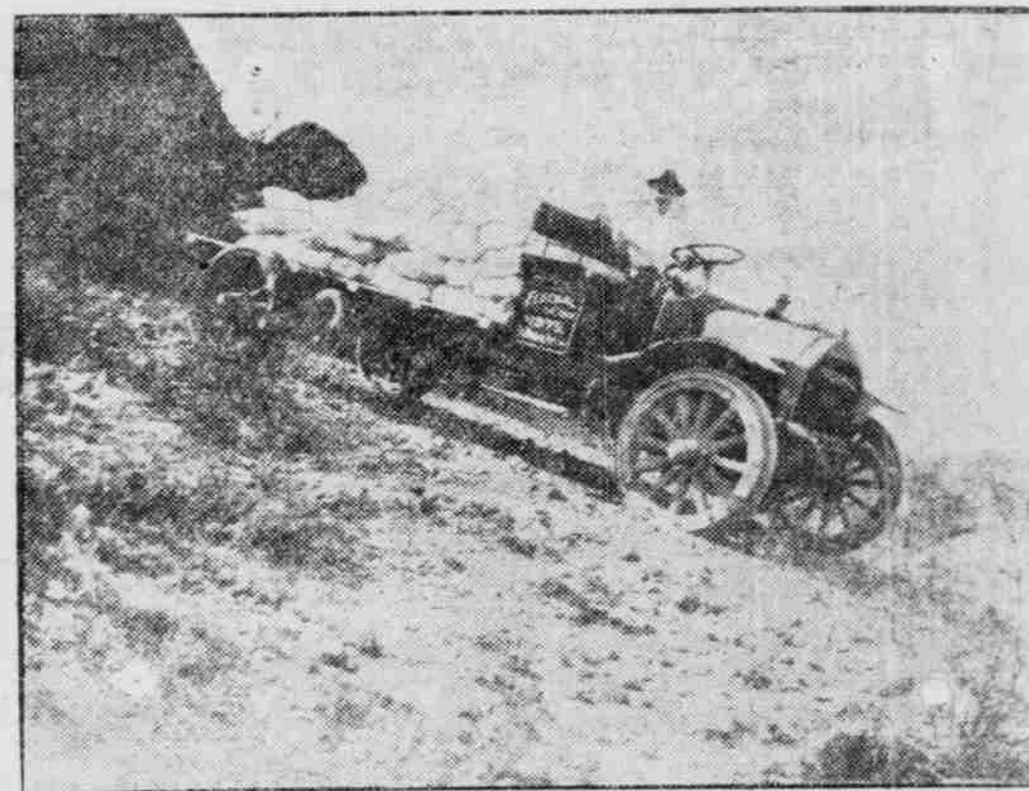

FEDERAL TRUCK, \$1975 F. O. B. PHOENIX

ONE AND ONE-HALF TON FEDERAL TRUCK leaving Goldman & Co's store on its way to Hole-in-the-Rock, 9 miles away.

On the return trip running time was 25 minutes, a total of 55 minutes' running time for a trip of 18 miles. This in time alone is a clear saving of 2½ hours over a horse-drawn vehicle. Mr. J. B. Gillespie, manager of W. H. Constable Co., Inc., says that the Federal has proven to be a very satisfactory truck to them. One truck they have had for a year and a half and it has given them efficient service every day, never having been out of commission since they bought it.

FEDERAL TRUCK, \$1975 F. O. B. PHOENIX

FEDERAL TRUCK arriving at Hole-in-the-Rock, a distance of 9 miles over desert roads, in 30 minutes.

As proof of the satisfaction given them by Federal trucks, six months ago when it was necessary for them to put on another truck they bought a FEDERAL and this second truck has given them the same satisfactory daily service. This is only one instance where the Federal Truck has made good under the hardest of work. Let our truck expert investigate your haulage needs.

Pythian Sisters

The second meeting of this term has been held by Pythian Temple No. 9 and a large class at the next meeting, which will be held Tuesday evening, October 7, 1913. The M. E. C. appointed a refreshment committee consisting of Sisters Bandy, Callahan, Hancock and Cinscy. Sisters Wade and Phoebe were reported ill and the members were requested to call on these sick sisters.

Loyal Order of Moose

The real winter season of the local lodge of the Loyal Order of Moose will open on Tuesday evening when the lodge will open house and designate the affair as "ladies' night." Because it is the first of the season, the committee having the arrangements in hand promise that it will

be one of the best ever and will set a pace for the committees that are to follow during the next few months that will be hard to beat.

B. P. O. Elks

With one of the most enjoyable smokers ever held under the auspices of the local lodge, B. P. O. Elks, the season for that order was formally opened on Thursday evening. Hereafter the regular weekly meetings will be held. There is an accumulation of business that will be taken up at the next meeting on Thursday of this week. At the smoker the Emperess company furnished a portion of the entertainment and A. L. Gatter and Paul Reman Ingle were also prominent upon the bill.

Fraternal Brotherhood

The Merchants' Masque ball to be given by the Fraternal Brotherhood, Maricopa Lodge No. 43, at the Patrick hall on Tuesday evening, Oct. 7, promises to be one of the most successful events of the season. The committee informs us today that over one hundred and thirty merchants have arranged to be represented at the ball, by young ladies or gentlemen dressed in costumes representing their lines of business. A number of the merchants have said that they may decide to send two costumes. The committee informs us that two loving cups have been arranged for and can be seen in the window at Elvey & Hulet's. The first prize is to go to the merchant who is represented by the most unique costume and the second prize to the next best. The hall will be nicely decorated for the occasion; music will be furnished by one of the best orchestras in town, and a good time is assured to all who participate.

Wenden

A Mr. Bennett of Los Angeles arrived in town recently in a Regal rumbout on his way to the Harqua Hah mine, making the trip from Los Angeles in twenty-five hours actual running time. He got mired in an irrigating ditch for a couple of hours, when an obliging farmer and his mules opportunely arrived on the scene and relieved the situation.

Miss Evon Skinner passed through Wenden last Thursday on her way to the Bili Williams country, where she will teach the Alamo school the coming term.

A strike has been made on the 350-foot level of the Belle View prop-

erty, formerly known as the San Mar near here. P. F. Smith is superintendent. The lodge is four feet in width and carries good gold values, which can be seen with the naked eye.

The Rainier Mining company has purchased the one-eighth interest of George J. Bray in the property. The property consists of thirty-eight claims in the Cunningham Pass, Ellsworth district, and as recently been incorporated. Gnash Bros. being the former owners and retaining the controlling interest.
